

## Young people and urban citizenship – Students managing photo and video projects on urban chances and challenges

### *Your task for Spain*

In the context of Young people and urban citizenship, we'll develop in teams, different solutions related with the challenge of “ create a healthy future for people and the planet through food”

I) Send us a **two-minute video** about foodtech aspects of your city,region or country.

Take into consideration aspects like problems( waste, pollution, delivery, meat consumption, new products, crisis post covid...), improvement suggestions(some ideas) and companies or start ups are working on new innovation.

Focus on Impact Investing, New protein, Health, Taste & Wellbeing, Future of Food, Service & Retail, Data, AI & Robo,Biodiversity & Smart Agro, Zero Waste or Clean Water.

Video format should be **MP4**.

II) Include

1) a title with the official Erasm us+ logo

Co-funded by the  
Erasmus+ Programme  
of the European Union

2) audio or written commentary and

3) names of those contributing.

NB! Remember copyrights: **do not use anything but authentic material (that is, something you've filmed yourself!!)**

**Deadline date 29 nov**
