Young people and urban citizenship – Students managing photo and video projects on urban chances and challenges

Team: _____

Your task during our project meeting in Germany

During our project meeting in Germany your fellow students will simulate an urban area planning process for a part of the “Kulturmeile”, a cultural hub of Stuttgart.

With your team you are responsible for documenting this process in form of photos and a short video clip.

Please consider the criteria for creating photo documentaries and video (pto) and respect all copyrights.

The photos / video clips are meant to be exhibited in our schools and / or other institutions and will be uploaded to our project website: <https://twinspace.etwinning.net/92934/home>, from where they can be downloaded for educational purposes.

Deadline for handing in your photo documentary and your video clip:

Tuesday, 3 December 15h30!

Please hand them in on a USB stick or share them on Google Drive / One Drive / Dropbox by sending a link to ainhoff@ohg-ostfildern.de and to your teachers.
