

DAY 5: VISIT TO TALLINN

Today we went to Tallinn (the capital of Estonia) by bus. We went to Ülemiste City, a smart business city, and we were given a talk presenting the new projects that will be done in Tallinn. After lunch, we took the bus to get to the city center and took a guided walk. Also, in groups, we went to the Occupations and Freedom exhibition museum. Finally, returning to Tartu, we stopped at a Viking Village for dinner.

It was a great day!!
