

DAY 1: TRAVEL TO TARTU

We started our trip at Valencia's airport, we caught a plane from Valencia to Riga (capital of Lithuania) and then we caught another one from Riga to Tallinn, the capital city of Estonia.

After that, we travelled by bus to Tartu, the city where we stayed most of our stay. We arrived at the hotel around 11 pm, where some Estonian teachers were waiting for us.

It was a long journey, but it was quite fast because we were so excited!
