

Preliminary task for Finland 2020

- I) Prepare a **two-minute video** (documentary style) on chances and/or challenges related to technological advances in e.g. public transportation, energy efficiency, green tech, smart technology in urban planning etc. in your city/region.

For reference, see for instance [Smart Tampere](#) and the various pilot programmes being developed/implemented in Pirkanmaa.

Video format should be **MP4**.

- II) Include

- 1) a title with the official Erasmus+ logo

Co-funded by the
Erasmus+ Programme
of the European Union

- 2) audio or written commentary and

- 3) names of those contributing.

NB! Remember copyrights: do not use anything but authentic material (that is, something you've filmed yourself!!)
