

## **DAY 7: VISIT TO TALLIN AND COME BACK AT HOME**

In the morning we said goodbye to students and teachers from Estonia and Finland, and we visited Tallinn, the capital of Estonia.

In the afternoon, we went to Tallinn airport, where the students and teachers from Italy, Germany and Spain took the same flight to Frankfurt.

The return trip was a bit complicated because the first plane was late, but we finally managed to take the second flight and arrived in Valencia as planned.

Erasmus mobility in Estonia has been a truly fantastic and enriching experience that we will never forget!! Thank you so much!!
