**6. You can leave any other comment.**

Some free nice and/or interesting comments

“In my opinion, every delegation should prepare song or dance, which they can show on party like this and they should teach it to all of the audience.”

“It started pretty late so me and my correspondent family couldn't be there much. I think it would be better to start it earlier so we could spend more time together.”

“It would have been nice if there had been some music or performance.”

“No music no party. Fortunately, the Lithuanian group exhilarated the event.”
