#SayTheirNames - The Hanau shootings

The Hanau shootings are a horrible example of racist, right-wing terrorism in Germany. Find out what happened.

With the help of the internet, answer the following questions. You can find a collection of videos and articles on the Hanau shootings here: https://padlet.com/sternbea/fmmoicm2z8m2x1sl or scan the QR-Code.

Find Hanau in a map of Germany. How far from Fulda is it? How many people live there?

_____

When and where in Hanau were the deadly shots fired?

_____

How many people died in the shootings? Where did their families originally come from?

_____

What was the shooter's motivation to murder them?

_____

Pick one of the victims and find out more about him or her. You can write down some notes here.

_____

_____

_____

Why is it important to 'Say their names'? Discuss in your group.

_____

_____

Do you know of similar attacks in your own country? Tell other students in your group about it.

_____

_____

What can we do so something like the Hanau shootings will never happen again? Collect ideas in your group. Take notes.
