Teaching differences in partner institutions

Before Persona Dolls

After Persona Dolls

Before Persona Dolls

- Isolated activities:
 - Special weeks with activities (I'm different and so what?);
 - Sessions of Mindfulness;
 - Traditional stories for children;
 - Welcoming children from different countries;
 - Classroom rules;
 - Working feelings and emotions;
 - ...

No specific strategy

The question is...

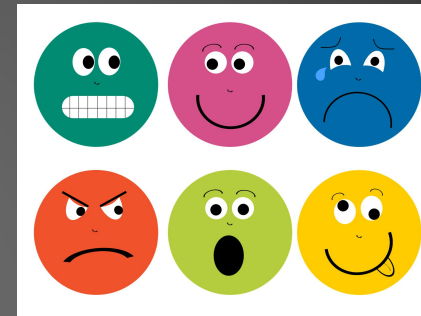

It's enough??

After Persona Dolls

- A. A plan to follow/a strategy;
- B. Awareness;
- C. Cooperation - All classes working together;
- D. Developing emotional intelligence;
- E. Decrease of conflicts.

Teaching differences become a priority!

Thank you!
