„Every child is special”

Find the difference...

Everyone is different

Looking for differences and similarities

Getting to know each other – different or the same?

Differences make us special

What things do I like in my appearance?

I like my
eyes

I like my
smile

I like my
hair

What make us different?

What make us the same?

Differences make the world more colorful

*We speak different languages but we
smile in the same way*

I'm glad I'm Me

No one looks the way I do

I have noticed that it's true.

No one walks the way I walk

No one talks the way I talk

No one plays the way I play

No one says the things I say

I am special

I am Me

There is no one I would

Rather be

Than Me!

Why we are different?

- because we were born in different countries
 - because it would be boring
- because we were born in different seasons of the year
 - because we have different clothes
 - we have good and bad days
 - because we are like our parents
