

PERSONA DOLLS QUESTIONNAIRES FOR PARENTS

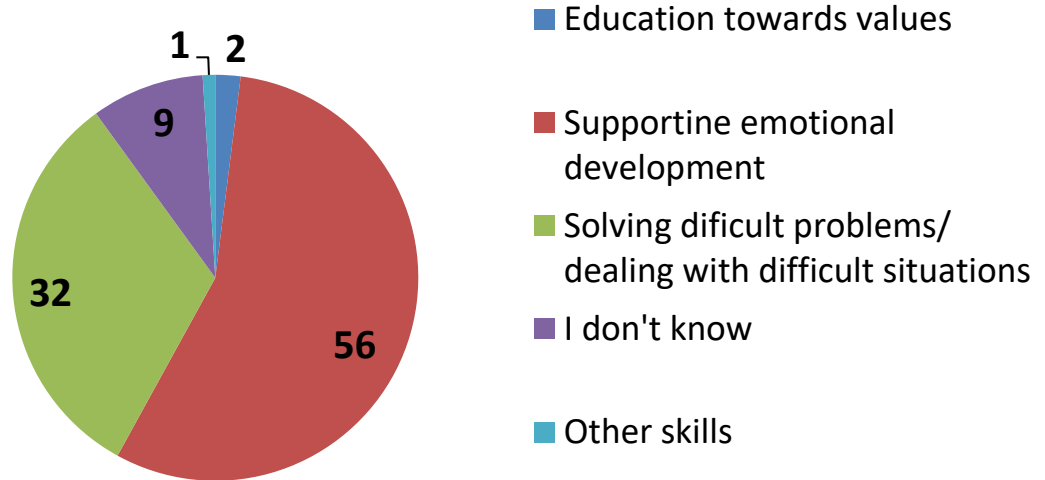

HAVE YOU HEARD ABOUT PERSONA DOLL METHODOLOGY?

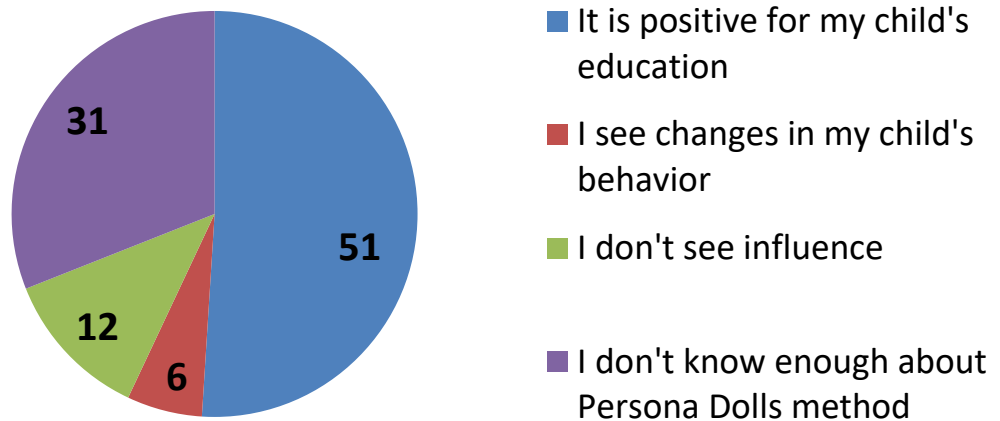

WHERE HAVE YOU RECEIVED INFORMATION ABOUT PERSONA DOLLS METHODOLOGY?

WHAT IS PERSONA DOLLS METHODOLOGY AIMED TO?

WHAT IS THE INFLUENCE OF PERSONA DOLLS METHODOLOGY ON YOUR CHILD?

IS IT IMPORTANT FOR YOU THAT THE KINDERGARTEN CONTINUES TO USE PERSONA DOLLS METHODOLOGY?

Most parents believe that Persona Dolls method is improving emotional development of their children. They emphasize that doll is an object interesting and close to the children, and children can identify with it and acquire ability to solve their problems. Another important element – according to the parents – is children noticing differences between people and learning how to accept them and cope with them.

The parents also think that supporting children in their emotional development is necessary – they perceive this area as especially difficult and highly appreciate innovatory methods, aiding their children emotional development and problem solving skills. They can observe expected results in their children behaviour.

A low percentage of the parents do not have enough information about the methodology, but is willing to acquire more knowledge about it. They want to be up to date with sessions with a doll and concerned about their children problems, they want to discuss this problems with children at home and follow their children emotional progress.
