Everything was very organized, i don't want to add anything.

I'm Sílvia, from Catalonia. I value this meeting very positively. Information was cleared when there were only a few days but it was enough to get there and do the tasks without problems. There was only one meeting of teachers but it was very efficient, we made good agreements and we imposed tasks, above all referred to the web site. All the meeting was conducted in a very pleasant respect. Regarding the activities developed in Zimnicea, all were very correct. Perhaps the only thing that was a little overwhelming was the first day, in the afternoon, in the computer room, doing e-twinning tasks. We were many people trying to use computers. The classroom was very large and adequate. The problem was that we were too many people. I don't know what the solution is. Finally, thank you again, the team's Romanian efforts. As teachers as families, as well as students, were very hospitable and accompanied us all the time, always worried about our well-being. Our students got a very fulfilled experience, not only in the academic sense, also social, cultural and personal sense. They learned that they have to learn many more things to become better people.

I had a good time in Romania.

It was pleasure to visit Romania! The host teachers were absolutely wonderful and they did their best!

People doesn't talk enough english to comunicate each other, and unfortunately often some teachers are unfriendly.

We faced great hospitality and appreciate how hosts dealt with meeting organization. Thank you a lot!
