Hard times for everybody due to pandemy, but your school and project team did it perfect. Thank you for your effort to achieve project goals. Very good experience for all partners in preparing mobilities in their new, virtual, way. Looking forward to colaborating in future, in new projects. Mgr. Miroslav Alexovic, deputy director of Slovak partner school.

This project was an opportunity to meet new persons front different countries.

Everything was perfect

I am happy we follow the plan and did all tasks. Virtual meetings have got many advantages, the communicatoin and the used tools were satisfying.

It was nice to meet all partners!

Although Omer has done a lot of work to prepare this virtual mobility, it has been Soo difficult to achieve the planned goals.

Many thanks to the turkia team for their efforts. However, it must be acknowledged that the results have not been the same as with a normal situation.
