11 odpovědí

What activities did you find the most interesting and beneficial?

9 odpovědí

Following the puzzles on the tour of Litomyšl

Egg dyeing activity is definitely

The bowling

The bowling

Activities at school

workshop and tours

Kuks

Litomyšl tour with students, last day workshops, presentation about history of litomyšl and czech republic

Workshops

What should be dropped from or added to our mobility to make it better?

9 odpovědí

less free time should be put and fun activities should be done

Actually there may be more mystery games

One more day in Prague

One more day in Prague

Nothing. I think its perfect

translation problems could be fixed

All was perfect ! Thank you

I don't think there is anything that needs to be changed because activities were well balanced

Organization

Has the aim of the Czech mobility been fulfilled?
