

# ONLINE SESSION BRIEFING #3

The above session was attended by the Portuguese, Spanish and Turkish partners' coordinators and here are the decisions/ project activities arrangements made during the Online Meeting:

1. Spanish hosting school is holding their **parents meeting** this coming Wednesday where both families and travelling pupils will be matched. There, the rights and duties of both families and pupils will be discussed.
2. Spanish coordinator will send a **table** with both names of the hosting family/ hosting student with the receiving students/ a contact e-mail/ and short detail about the family so the sending countries can show/ tell their parents/students.
3. Spanish hosting school will send to all coordinators a **commitment letter** to be read, discussed and sign by pupils and forward to Nuria, the Spanish Coordinator, between the 9th-13th April.
4. Spanish hosting school is sending until the end of the week – 31st March – the **Meeting Agenda draft** so all schools can share it with their Direction Boards and parents of the pupils involved in the Blended mobility.
5. Pupils should send their **presentations** to be uploaded in padlet before the Online meeting to be held on **April 11th**, at 9:00 (PT time), in eTwinning Events.
6. It was agreed amongst the Coordinators that **no mobiles** are to be used during the time spend at school (School's policy) – 9:00 to 14:00 – and parents should be asked not to call their children all the time. They should make the calls once a day, before going to bed, until 10:00 pm, time mobiles and internet are to be switched off.

We are really looking forward to Ibiza!!! 😊
