2. TPM Meeting evaluation
3. What is expected from a Blended mobility of learners
4. Hands On CLIL Milestone updated
5. Pupils and parents presentation letters
6. Others...

1. CLIL Pathways - deadline 28th February

- Portugal done - Music + Science CLIL Pathways
- Spain - Great video. Waiting for the CLIL Pathways materials for future implementation
- Turkey -
- Slovakia - saw Lubos great PE video. To deliver the lesson we need the lesson plan and the pre/ post test so other teachers can deliver the lessons.

2. TPM Meeting evaluation

5. What would you like to suggest for further meetings?

- dumplings with sheep cheese
- Free time to take a shower before dinner if it's possible
- The CLIL workshops for the LTTs should be carefully planned for both teachers and pupils so they make a huge impact in the learning of content by means of bilingual methodology.
- Bringing CLIL experts to the meetings is also an excellent idea that other countries should try to implement.
- Also some training in eTwinning should be foreseen.
- More time to work on the project
- Maybe a little bit of free time.
- more activities at school.

2. TPM Meeting evaluation

- more space for the experience exchange, hands-on tips for using the CLIL method for concrete subjects.

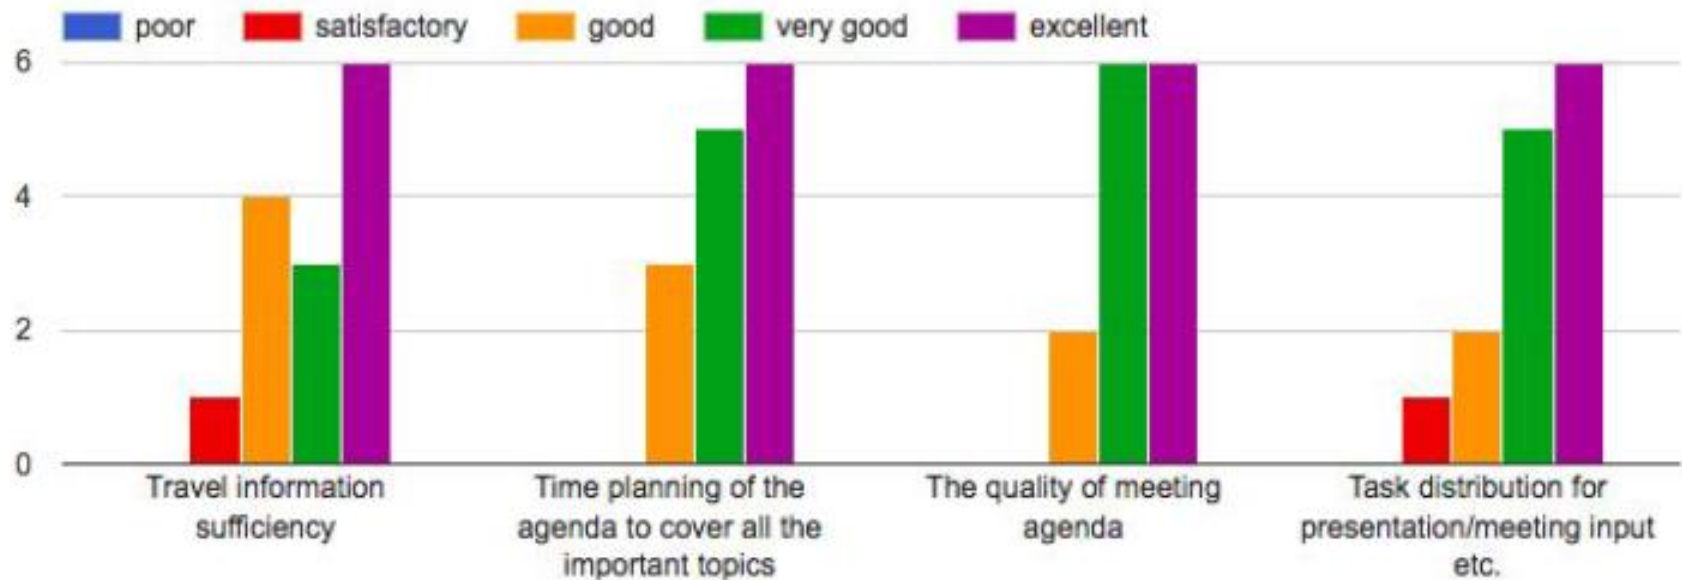

9. What do you think we need to cover in future joint events?

- How to design a CLIL lesson
- How to deliver a CLIL lesson
- How to use eTwinning
- How do the language and content teachers collaborative work
- More workshops
- more clil lessons
- sharing of good experience
- Visit real lessons at schools,

2. TPM Meeting evaluation

1. Preparation for the meeting

3. What is expected from a Blended mobility of learners

FIELD: ALL FIELDS OF EDUCATION TRAINING

BLENDED MOBILITY OF STUDENTS, TRAINEES, ADULT LEARNERS, SCHOOL PUPILS, YOUNG PEOPLE (5 DAYS TO 2 MONTHS OF PHYSICAL MOBILITY)

Activities that combine one or more short periods of physical mobility (up to 2 months in total) with virtual mobility (i.e. the use of information and communication technologies such as collaborative workspaces, live streaming, videoconferencing, social media, etc. to complement or prolong the learning outcomes of physical mobility). It can be used to prepare, support and follow up physical mobility. It can also be organised to address people with special needs or with fewer opportunities to help them overcome the barriers to long-term physical mobility.
