6. What did you particularly like about the Job Shadowing in the School?8 respuestas

To see the different steps/ stages of a CLIL lesson in practice and witness that most work is learner-centred.

Also enjoyed seeing all the resources used and created by the teachers for CLIL purposes.

subjects and cooperation

All activities related to job shadowing were so interesting and amazing

Interaction between students and teacher themselves

Mini book

Puppets video

I liked the involvement and the interaction between all.

to know a reality different from ours.
