Dear future

Hello, I'm a girl named Marte. I'm 14 years old. I live in a small place in Norway called Selbu. I have a little brother, he is 10 years old, and I also have two stepsisters and one stepbrother.

I like playing volleyball. I actually didn't like volleyball before. But when I started playing it I eventually liked it more.

I like listening to music, my music taste is varied. It can go from One Direction (1D) and 5 Seconds Of Summer (5sos) to Wiz Khalifa and things like that. But my favorite singers are Beyoncé and Lana Del Rey. I love bands like Arctic Monkeys, the 1975 and The Neighbourhood. I really want to go to one of their concerts.

My favorite movies are "Mac and Devin go to High School" because it's about weed and "The Fault In Our Stars" because it's so emotional.

My biggest dream is to leave Selbu, and experience the world. I want to travel a lot, and meet new people. I also want to move to America, because I feel it's so much more to experience there.

Best regards

Marte
