

Hello,

21st September 2014

My name is Natalia. I'm fourteen years old. I come from Poland. I live in Stanisławów. I go to junior high school in Męcinka. I have two brothers, Norbert and Filip (first is 15 years old and second is 6 months).

My hobbies are horse riding, dancing and art at home. Three years ago I studied dancing. Only 5 months ago I started studying horse riding in Chetmiec. The art is my favourite pleasure at home. Furthermore I love animals. I have two dogs and five cats. My first dog is Shasta, she was born on 20th February 2012. My other dog is Kiara, I don't know old she is.

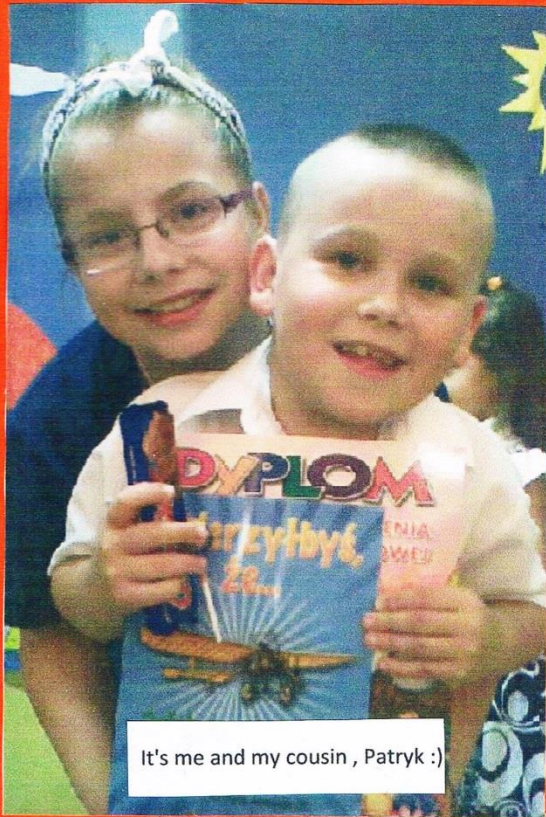

My best friend is Dominika. She is fourteen years old. She has short, blond hair. She is tall. She has one brother, Kasper (he's 17 years old).

I'm writing this letter to show you

how we live now here. We have mobile phones, tablets, laptops, computers and a lot of electrical toys. Most of teenage wear new designer clothes and have new phones. Girls are interested in haircuts and clothes. Boys are interested in playing football, volleyball and of course playing computer games.

That's all. I hope you like it :)

Love, Natalia :)

It's me and my cousin, Patryk :)
