

Hi,

My name is Marko. I'm thirteen. I live in Ticnor.

My family is small, I live with my mother, my brother and my dogs.

My favourite subject is Art, because I'm good at it.

In my free time, I do aikido or I draw.

I'm very fan of Harry Potter, so I collect objects of the saga.

I'm not interested in fashion, but I think that iPhone is fashionable.

I don't like reading but my favorite book is Harry Potter.

I listen to music, I love it. I listen to all songs of Jaz, Beyoncé,

Shakira... I don't have any favourite singers.

This is a normal day in my life:

I wake up at seven o'clock, after that I have breakfast and I go

to school. When I leave school I do my homework, I watch Teen

Wolf on the computer and sometimes I go to aikido training.

Finally I go to bed.

When I leave school I want to be homicide inspector. Because

I wish catch the murderers.

My dream is meet Dylan O'Brien.

I have a message for the future generations:

Don't be silly or a bad person.

Marko.
