My name is Dorina. I'm 13 years old. I live in Romania Satu Mare, Amatic. It's a wonderful village. I have blue eyes and light brown hair. Height: 161 cm. I'm funny and friendly. I love nature and animals. My favourite subjects: Art and Biology. They are very interesting. I like fashion. I like wearing jeans, T-shirts, trainers, usually sports wear. I love reading books specially romances and poems. My idol is Angelina Jolie because she is so beautiful and a great actress. I have also dreams for the future for example to travel around the world. Hobbies: listening to music; reading. I like to going out with my friends. My family has four members: mother (Viareca); father (Vasile) and my brother (Darius). I'm in the 7th form at Păulești Secondary School. My favourite flower is rose. I like comedies, science fiction, cartoons and adventure films. My favourite color is blue. My favourite holiday is Christmas. We thank our teacher Tat Comelia for involving us in this wonderful project called eLearning: Capsule of time.

Message for the next generations: do protect the environment. I warn people from the future against pollution.

My question for the people from the future is: "How is life surrounded by lots of robots and technology?"

Best Regards,
Dorina.
