

Hello,

10. X 2014.
Romanian - S.M.

My name is Emil. I am 13 years old. I am student in 7th at Păulești Secondary School. I live in Păulești, Satu Mare, Romania. My height is 160 cm and weight 39 kg. My favourite food is pizza and my favourite juice is Coca Cola.

In my family we are four members:

- My father called Dumitru;
- My mother called Judith;
- My grandma called Viorica;
- And me.

I really like the school because I learn many new things, but also because I meet my colleagues, who are my friends. My favourite subjects are Sport, Romanian and Computer Science. My favourite teachers are Mr. Floratiu my geography and history teacher and Mrs. Tat Camelia my physics and chemistry teacher. Also, I really like my teacher because it is close to us, so that is why we consider of her as our second mother.

In free time I like to play video on my computer, but I have other passions like painting and going in a park with my friends.

I like to lose time on Facebook playing

and chat online with my friends.

Spring and summer, I love to go rollerblading in the park, and if there is little wind to fly a kite.

These are my favourite things:

- My favourite singer is Rihanna;
- My favourite band is One Direction;
- My favourite movies are: Harry Potter and The Hunger Games.
- My favourite actors are: Daniel Radcliffe and Angelina Jolie.
- My favourite day of the week is Saturday because it's the most relaxing day.

We are grateful to our teacher for having us implied in this project: eTrimming: "Time Capsule".
