

Time capsule 2014-2114

For future generations . . .

Hey, My name Julia Rozwadowska. I have got long blond hair and blue eyes. I'm 13 years old and I go to the 6th grade of primary school in Poland. My favourite lessons are Art, PE and Music. I start lessons at 7.30 every day. I usually stay at school for 5 or 6 hours. Our lessons last 45 mins. I have got a sister. Her name is Karolina. My favourite food is pizza. I've got a dog and I like pets a lot! I like meeting my friends, listening to music, riding a bike and roller skating. My hobby is Art. My best friend is Julia Molenda.

What about you? What subjects do you learn at school? Do you have breaks and holidays? How long is your lesson?

Greetings, Julia ☺
