

Hello =)

My name is Paula and I'm 14 years old. I live in Tiana, a small village near Barcelona. I live with my parents, my brother and my dog Tecky. My favorite subject is Physical Education because I love doing sport.

Every day I wake up at 7:15am because I start classes at 8:15 am. At 11:15 am I go to the playground until 11:45 am. At 2:45 pm I finish classes and I go home for lunch.

I don't like reading, it is very boring and when I read, I fall asleep. I like listening to music. My favorite kind of music is pop because it is modern and great. In the future, I would like to be rich because I like money! =)

Twice a week I go to football practice.

I play in a women's team. Its name is C.E Seagull BDN. For the moment we are winning all the matches. We have only lost one match. If we finish first or second in our league, we will play the Catalonian Cup. It's fantastic, but difficult. =(But we can do it =)

In the future I think there won't be crisis and cars will be able to fly. At home we will have robots to help us.

Bye Bye =)

Kisses <3
