

Hi,

My name is Saïda. I'm fourteen years old. I live in Triana in Barcelona. I live in a small flat with my parents and sisters.

My favourite subjects are English and Catalan because I think this subjects are interesting. In my free time I meet my friends and watch TV. I don't collect anything and I'm not interested in fashion. I don't like reading because it's very boring. I like listening to music, especially Ariana Grande, Little Mix and Ed Sheeran. My favourite singer is Ariana Grande.

My everyday is very stressful. I get up at seven o'clock, I brush my hair, I have breakfast and I go to school. I don't play any sports but my favourite sport is skating.

In the future I want to travel to New York because this city is very beautiful. I want to be an English teacher or work in something related to computers.

Goodbye ☺,

~~Saïda~~
