

Adriana Lamás

Hi!

My name is Adriana. I am 14 years old. I live in Montgat. My brothers and my sisters are younger than me. My sister is half blond. My mother family is very different from my father's family.

I haven't got any favourite subjects because I don't like any. In my free time I meet my friends and listen to music. I don't collect anything.

I'm not interested in fashion. People wear sweatshirt and waist-length trousers. I wear the same because I like it. Depending on the day, I wear other clothes.

I don't like reading because it is boring. The only book that I like is one about a film. I like listening to music, I like different styles of music. I haven't got a favourite singer.

Usually I get up, I have breakfast, I get dressed and brush my hair. At quarter to eight I go to school. At three o'clock I arrive home. I have lunch and watch TV. Then I meet my friends and I am with them until dinner time. I don't do any sport but before I did rhythmic gymnastics.

I don't know what I want to be in the future. I dream of travelling to New York with my friend because we love it. I also dream of being an important person.

Greetings

~~Adriana~~
