

Hello!

My name is Amàlia and I'm fourteen. I live in Montgat, a small town near Barcelona. I live with my parents. My mum's name is Carmen and my dad name's is Pere, but we call him Pito.

My favourite subjects are P.E and Maths because Maths is interesting and I love sport.

In my free time I do sport: I play rugby or I go to gym.

I'm interested in fashion. Now, iPhones and WhatsApp are fashionable.

I don't like reading but my favourite book is Marina.

I listen to music, modern music, like pop... I don't have a favourite singer.

This is a normal day of my life: I wake up at half past seven, at a quarter past eight I start school, then, at quarter to three I go home and I have lunch. When I finish lunch , I do my homework and I sleep for a while, then I go to the gym or I go to play rugby with my team.

I admire Eli Martinez because she is an excellent rugby player.

I want to be a rugby player in New Zealand because there is a very good level of rugby.

I have questions for the future generation:

-how will the world be?

-what kind of food will you eat?

Good bye, kisses :)
