

Hi,

My name is Lisandri and I'm 14. I live in Montgat, Barcelona with my family. My family is very nice although my parents are separated, but I really don't care.

I go to 3rd of ESO in the high school Thalassa. The school starts at 8:15 am and finishes at 2:45 pm. My favourite subject is Art because it is really fun and easy, and the teacher is friendly. In my free time I almost always go out with some friends and we take a walk. I don't collect anything because I haven't got anything to collect but when I was young I collected Hello Kitty trading cards.

I am not very interested in fashion because I don't want to go with the same clothes as everybody, but I like Bershka and more stores.

One of my hobbies is reading stories and books. My favourite book is "Hush Hush" and "Beautiful Disaster". I like music, it is really awesome. I like pop music and my favourite band is One Direction because they're such an incredible band!

My day sometimes is really boring but sometimes he is funny. On a weekday I go to school from

8:15 am to 2:45 pm and in the afternoon I go out with my friends. I don't play any sport only in P.E I do some sport. I don't have a favourite sport.

I admire Liam Payne because he had a bad childhood. He is a member of One Direction and he is my idol because he is very strong.

In the future I plan to be a primary school teacher, because I like children. I'd like to be a singer but I sing really badly.
