

My name is Adrià,

I'm fourteen and I live in Barcelona in a village, Montgat. I live with my parents and my sister; I only have one sister, two grandmothers and two grandfathers, two uncles, four cousins and two aunts.

In my free time I do the homework, play computer games and go outside and play football with my friends.

My favourite subjects are Physical education, English and Art.

I don't collect anything because I'm not interested and I don't like it.

I like reading but I don't do it a lot of times. I don't have a favourite book. I listen to music every day. I listen to pop dubstep rap. I don't have a favourite singer or band.

My day starts at 7:30 am and I go to school at 8:15 am. When I finish school at 2:45 pm I have lunch. Then, at 4:30 pm, I go to my sister's school and when I get in home I do my homework or play computer games, watch TV or play football with my friends. At 9:00 pm I have dinner. When I finish, I watch TV and at 11:00 pm I go to bed.

At this moment I don't do any sport. My favourite sport is football.

I want for the future a good job for me to have a good life.

Bye!
