

Time capsule 2014-2114

For future generations ...

Hey!

My name is Julia Molenda . I have got long dark hair and blue eyes. I'm 12 years old and I learn in primary school in Radom, Poland. I go to the 6th grade. My favourite lessons are Art, PE, ICT and Music. I start lessons at 7.30 from Monday to Thursday and at 8.20 on Fridays. I have got one sister. Her name is Daria. We live in a detached house. In my free time I like riding a bike and listening to music. I like Taylor Swift. I'm also interested in fashion. I love pets. Sometimes I use Facebook and Skype. My best friends are the twins called Julia and Karolina! I love holidays! I like travelling with my family.

What about you? Do you like travelling? Do you use buses, cars and trains?

Hugs! Julia ☺
