Hello, my name is Carlos Consuegra, and I am 14 years old. I live in Montgat and I live with my family: Carlos, my Dad; Paula, my mother and Ainoa, my sister. I have two dogs, Indi and Messi, like the football Player.

My favourite Subject is Technology because I like computers. In my free time I study English because I go to an academy to learn more English. I don't collect anything because I think it's useless.

I wear whatever I want, because I'm interested in fashion.

I like reading books, my favourite books are the Harry Potter Collection. I like listening to music too like Dubstep, Electro, Pop...

I play basketball and rugby and my favourite sport is Football. I like Munir, the football Player, Its my idol :`D

I want to be a computer specialist because I like new technologies.

I dream the same as the man on the Christmas lottery commercial. (I dream of being rich) :D

Bye

Carlos
