

Hi my name is Blanca Osorio and I'm fifteen. I live in Masnou in Spain with my dad, mum, brother and my rabbit Bru. Bru is very cute. I love her! My dad is a good person. His name is Jorge. He is the best daddy in the world.

My mum is Sandra. She has a lot of character but I love her. My brother is Bruno. He is very funny and silly but he makes me laugh a lot.

I go to school five days a week but I hate school. The classes start at quarter past eight. My favourite subjects are Physical Education and Biology because I like sports and the nature and I collect photos of nature because it is impressive.

I'm interested in fashion. The 2015 fashion is straight fit trousers, stockings, sweaters, boots, warm clothes anoraks, scarves...

I don't like reading, but I like the novel "The Hunger Games: Mockingjay" I prefer listening to music. My favourite singer is Bruno Mars.

My day is very simple. I go to school 5 days a week. Classes start at 8:45am and finish at 2:45pm. After school I take the train to go to the Español football field and then I go home and I do my homeworks. I have played football since I was 3 years old in Masnou. Now I play in the Real club deportivo Español.

I admire my dad because he is the best daddy in the world.

In the future I want to be a biologist because I love oceans and animals. My dream is living in Hawaii or New York with the love of my life.

One Kiss!
