Hi friend,

My name is Ramon and i am 13 years old, I live in Montgat, it's a little town near Barcelona. I live with my parents, my sister and my dog, well, my BEAUTIFULL dog.

My favourite subject is PE because i want to be a police man. In my free time I always play LoL; it's so addictive!!!

I love music, well, only the music i listen, obviously. I listen to Rap (only in Spanish) and my favourite Singers are "Hard" and "Da Silva". Also my favourite group is "Violadores de verso"

I get up at 7:30 am. I go to school at 8:15 am and I leave it at 2:45 pm. I go to kick boxing class and the I play videogames. This is my normal day.

I do kick boxing on Monday, Wednesday and on Friday. I think it's really fun.

I admire my dog. He only has to sleep, get fun, and play. He is my idol.

In the future I want to be a policeman. I don't have a reason, but I like it. But my dream is to be a LoL competitive player but, unfortunately, I think it's impossible.
