

TIME CAPSULE 2014-2114 FOR FUTURE GENERATIONS...

HÍ!

I'm Wiktorija and I go to the Primary School Number 4 in Radom. My school is very modern. It is a big building with many classrooms, three computer rooms, two gyms, a canteen, a tuck shop, a playground and a swimming-pool. But we don't have the WI-FI yet ☹️ My favourite lessons are: English, Polish, music, art and PE.

I'm a teenager. I like roller skating and volleyball. I've got long, straight, fair hair and blue eyes. I think I'm hard working, clever and kind. My best friend is Zosia.

My favourite band is "One Direction" and my favourite pop star is Ellie Goulding. Almost every day I get up at around 6.30 in the morning. I dress up and wash. I go to school on foot. After school, I come back home, eat lunch and do my homework. I often help my mum or my grandparents. After that, I usually learn or read a book (a paper book, do you have them?) Then, I watch TV or surf the Internet. Before 8 pm I eat dinner. Then, I go to the bathroom and have a bath. At around 10 pm I go to bed. What about you? How is your day? Do you go to school? What subjects do you learn? How do you spend your free time?
