Dear e-twinning partners,

We are Cansu and Zeynep. We are 8 and 9 years old.  
We live in Turkey. We wish you and the world: peace.  
There are some things we wish to everyone:  
Justice, freedom and a clean environment. We wish  
you love, too. We wish environment protection. We  
wish all the human rights are respected.

We also wish you a Happy New Year!

Love,  
Cansu Nasal and Zeynep Cengil :)
