

# Our tree of wishes

Dear friends,  
we are the pupils of the 2<sup>nd</sup> grade of Larymna,  
Greece.

In a few days the schools will be closed in order  
to celebrate Christmas and New Year. It's  
a good opportunity to spend some fun time  
with our family.

Here in Greece we have many customs for  
Christmas and New Year. We decorate the Christmas  
tree and put gifts under it, we say carols and  
make sweets such as "melomakarona" and  
kourabiedes. We are looking for the lucky coin  
in the Christmas cake and we share wishes with  
the people we love.

In this way we will also wish you health, happiness  
and love. The year 2020 brings  
peace and joy to the whole world.

With all of our love  
The pupils of  
the 2<sup>nd</sup> grade  
of Larymna Greece
