Hello dear friends!
We are the 3-rd grade of "Ilia Qiqi" Primary school in Burrel, Albania. We are nine years old. We are very happy to work with you in this project. It's a real pleasure for us and our teacher, Dhurata Cuka.
Thank you for this wonderful experience! ❤️
We wish you love, happiness, health, peace and prosperity in your lives! We dream about a world without wars, without earthquakes and safe for all of us!
We want to live in a clean world. We wish you to have friends and discover the world with them!
We wish you a happy and joyful New Year 2020 / Merry Christmas!
Best wishes,
3-rd -B and teacher Dhurata.
