

Dear partners,

Hello from Thessaloniki, Greece!

We are 24 6th graders at the 3rd Primary School of Efkarpia, a small suburb on the west side of Thessaloniki.

Thessaloniki is in northern Greece; It is a beautiful coastal city with a busy, lively seafront!

We really enjoy working on this project with our teacher miss Eva and all of you and sharing our wishes, dreams and hopes with you!!!

We hope you all have faith and confidence in yourselves and respect for yourselves and others;

We wish love could prevail everywhere so that there is peace and freedom in the world and all the children have a home and a family;

We hope all your dreams and hopes come true!

Finally, above all else, we wish you good health, lots of friends, success in your future and a fantastic, amazing New Year!!!

Best wishes!!!
