

Hello friends!

We are the students of Sahakyan Nunyan Armenian School in Turkey. We are 10 years old and we're in 5<sup>th</sup> grade . We love English and we're happy to be in this project with all other international schools.

We wish a very long life for our parents.

We wish there are no more wars and violence in the world.

We wish for world peace.

We wish it snows this winter.

We wish for a beautiful and successful life.

We wish for justice.

We wish to have super-powers.

We wish to be successful in our jobs one day.

Lots of love,

Students of Sahakyan Nunyan Armenian School
