Dear partners,

We are the 6th grade of Kibris Şehitleri Secondary School. We live in Konak, İsmir. İsmir is a city in western Turkey. It is very enjoyable to work with you in this project. It is so exciting to design our wish of tree. We liked your trees of wishes. We are curious about the winner tree. We are proud of to be in a project with you.

- We wish you a happy, healthy and long life.
- We wish you to become fair in the future.
- We wish to study at very nice schools.
- We wish you to have good jobs in future.
- We wish you not to have disappointments in your life.
- We wish you to reach your goals.
- We wish you not to lose your real personality.
- We wish you to have good friends and good people around you.

HAPPY NEW YEAR 2020

Sincerely
Class 6/B
