

Dear Friends,
We are 6th Grade Students. We study at Evliya
Çelebi Secondary School, Istanbul/TURKEY.

We enjoy being in this project. We are having
fun.

2019 is about to finish. New year is
coming. We wish you have a happy, healthy and
successful new year. We wish your dreams come
true.

Next year, you should spend a lot of time
with your family and share your feeling with your
mother and father

Don't forget to start a new hobby. You will
feel better in this way. If you start something
in a good way, it goes like that. By the way
don't forget to study your lessons.

Be true and honest with
your friends. Sharing is the
best way to keep a friendship.
