

THE IMPRESSIONS

OF DEFENDERS OF PEACE

our partners,

This is a book where we can write down or draw  
our impressions from the suitcase of PEACE

You may also draw or write everything you  
like and it is relevant with DEFENDERS.

We are very anxious to see what did you like  
the most and your new ideas about PEACE.  
We send you our love.

WE ARE HAPPY

How can  
we be builders  
of peace?

All people, of all nations, long for peace  
harmony and unity.

Peace starts right here from the  
relationship with each person we meet.

We will see a more beautiful world.
