YORKSHIRE

In 2016, the tour was watched on TV in over 150 countries around the world and attracted one and a half million people who lined the route to cheer on the riders.

Tour de Yorkshire is memorable because it doesn't happen often but people love it: cycling lovers, sports lovers or normal people who just want to have fun.

The Tour de Yorkshire took its name from the world famous Tour de France

Tour de Yorkshire is a cycling race.

The Tour de Yorkshire is a three-day road cycling race in Yorkshire, England which started in May 2015. People gather to cheer our cyclists along.

Covering a total of over 300 miles, split into three separate stages, the Tour de Yorkshire is one of the UK's longest and toughest bicycle races.
