

# Containering

# What is Containering ?

## Definition

- People who are looking for food in the rubbish containers of stores that is still good, but nobody bought it in the store

→ That's why they throw the food in the rubbish

For example: A package of oranges where one isn't good

yoghurt, vegetables, or bread

# Who is containering?

- People who are poor often do that, but also people who earn enough money but who want to “save” food from being thrown away

# *Is containering legal?*

- No, but most store owners don't take legal action if they see people who do that

# Die Tafel

# Die Tafel Germany (the laid table)

- Since 1993
- More than 940 Tafeln
  - More than 60.000 volunteers
  - More than 1.6 million needy people

# What is "die Tafel"

- Collect food in good condition from supermarkets and distribute it to needy people
- Some also offer needy people clothes, housewares, furniture and child care
- On Wednesday we are going to visit "Die Tafel" in Ahaus
