

Bakery and milling

WHAT'S BOROMIR?

- ✘ Boromir is a group of companies with its center in Ramnicu Valcea, Romania, specialized in bakery and milling since 1994.

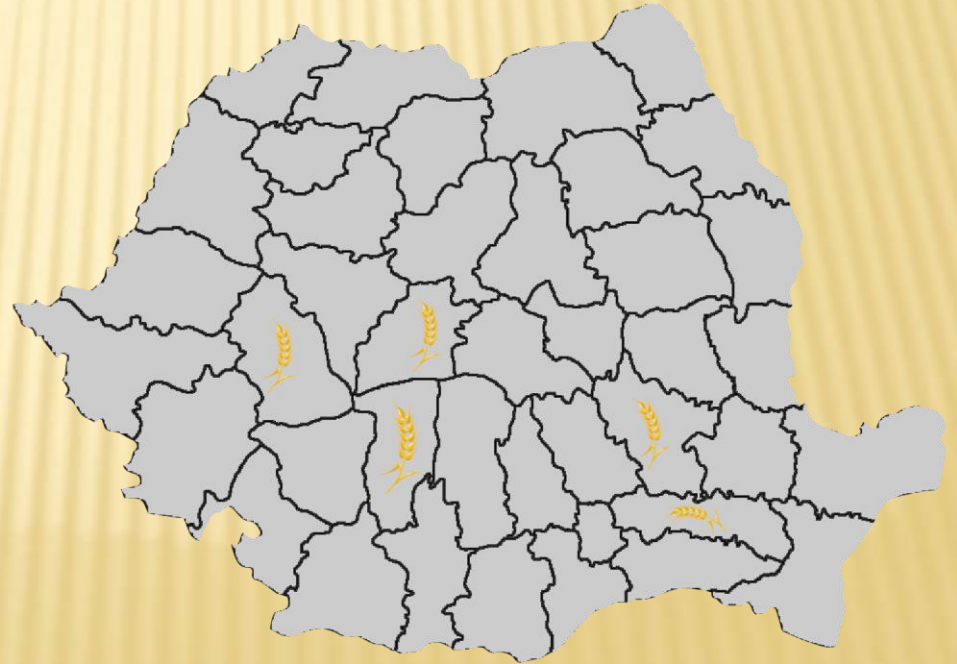

- ✘ As its motto say, Boromir shares joy, and the involvement that defines this company offers to romanians traditional products but also new products yearly.

- ✘ Besides its milling products, Boromir it's very popular for its sweet bread (cozonac). Its first appearance was in 2009 and since then it's yearly coming out with new flavours.

- ✘ Boromir shares joy for more than 24 years both in Romania and a few european countries.

- ✘ In 2011, Boromir introduced “Pan Café” and it’s one of the most popular places for coffee and tasty bakery products.

- ✘ Boromir loves its customers and its employees are always kind and bring smiles. So, if you ever pass by a Boromir “Pan Café” or you just find Boromir products in a market, don’t hesitate to buy something. You’re definitely not going to regret!
