

LESSON PLAN

Form: 4b

Subject : Music

Teacher: Suzana Plevnik

Topic of the lesson: Croatian song about friendship and togetherness – Himna zadrugara

Objectives of the lesson: To teach children to sing and perform the song in different ways. To teach them what quarter notes and half notes are, and the meaning of stroke lines.

List of required material: Textbook: Planet glazba 4, CD, CD player, music notebook

Process of the lesson - teaching and learning activities:

Introduction – Motivating children to learn the song Himna zadrugara which is connected with the story Train in the snow (which we have learned about in the Croatian literature class and illustrated in the Art class).

Main part – Teaching children about quarter notes and half notes. Teaching them the importance of measure in music and the meaning of stroke lines. Teaching children to sing by repeating the song after the model and listen to CD and try to guess who sings the song.

Conclusion – Singing the song in a choir and with solo singers.
