

# LESSON PLAN

**Form:** 5<sup>th</sup>

**Subject:** Civic education

**Teacher:** Suzana Plevnik

**School:** Primary school Jure Kaštelan, Zagreb, Croatia

**Topic of the lesson:** Helping others, humane behaviour

**Objectives of the lesson:**

- to develop social and communication skills
- to promote the idea of support, cooperation and non-violent behaviour
- to develop the skills of team work and learning

**Teaching methods:** brainstorming, discussion, watching ppt presentation and creating a poster, watching and discussing an animated film

**List of required material:** projector, projection screen, computer, cut out geometric shapes, cardboard, crayons and markers

**Process of the lesson:** teaching and learning activities

*Introduction:* Watching and discussing an animated film by Zdenek Miler: *Krtek a potopa*, about a hedgehog, a mole and a rabbit who all, as friends help a mouse whose home is destroyed in a flood

*Main part* Watching a ppt presentation about a boy who saved his friends from a possible crash of a train and a bus, discussion about everyday situations in which we can show how humane we are, group work – writing down a list of humane actions children can do

*Conclusion:* Creating a poster: Good deeds which I will do this week (e.g. I will help grandma by taking the garbage out, I will put some seeds for the birds to eat, I will give my cat fresh water every day, I will stop teasing girls, etc.
