

Improving internationalisation policy during the IMPACT-project

1. Fill in internationalisation scale
2. Assess your level
3. Set up a plan to improve the level of internationalisation in your school
4. Use the PDCA format
5. Think short and long term

Plan:

Short term:

- To meet the principal and some other teachers of the school to talk about internationalization;
- Create an “international corner” in our school;

Long term:

- To involve some teachers and two or three classes into the activities concerning internationalization

Do:

Short term:

- To meet with the principal and teachers to share IMPACT experience done in the Netherlands;
- To create the Internationalization corner;

Long term:

- To organize an “International day” and invite foreign students attending our school and their parents to tell about their countries, cultures and languages;
- To exchange and share didactic activities and methodologies (by using chats, videoconferences, e-mails, webinars) with teachers from other Countries.
