

## Improving internationalisation policy during the IMPACT-project

1. Fill in internationalisation scale
2. Assess your level
3. Set up a plan to improve the level of internationalisation in your school
4. Use the PDCA format
5. Think short and long term

**Plan: OBS Puntdak**

**Short term:**

Our team is start with the project IMPACT.

Look at the advice from nuffic:

- Do small activities about internationalizing
- Learn English in all groups and make sure they do it every week.
- Let the teachers think about world citizenship in various subjects.

The questions from NUFFIC which I had no answer, I ask the team members what they think about it.

**Long term:**

- Put internationalization on the agenda by meetings.
- Do an international project in every class
- Exchange with schools in other countries. (skype)

**Do:**

**Short term:**

- Create a internationalization group of teachers in our school.
- Group 7 exchange and cooperate in the project IMPACT with Turkey, Catalonia, Italy. (skype)
- Make a board in the school where everyone can see what we are doing with internationalization.
- World maps in every classroom. (group ½ world map for the BeeBob.)

**Long term:**

- Everyone in the school new that we are working on the project internationalization and its visible for visitors..
- We do every year an project about internationalization.
