

## Improving internationalisation policy during the IMPACT-project

1. Fill in internationalisation scale
2. Assess your level
3. Set up a plan to improve the level of internationalisation in your school
4. Use the PDCA format
5. Think short and long term

**Plan:**

Short term:

To develop curiosity about other cultures and learn more about European Countries

Long term:

- a) To enable student and their families to experience daily life in other Countries
- b) To provide an informed awareness of Countries, cultures and languages other than their own

**Do:**

Short term:

- a) Students will research information about a particular subject and create an European Map with that subject (eg. Baguette from France, Colosseum from Italy, Corrida from Spain, etc.)
- b) Students will print some celebrities from European Countries and paste them on the front door of the schoolroom, etc.

Long term:

- a) Promote communication with some friends abroad writing letters, emails or specific apps.
- b) Develop activities with european partners and to exchange ideas and materials, using etwinning platform.
